Hi Geoff. [REDACTED]
[REDACTED]

I saw your reply for Watergen. Elise scheduled a follow-up call on Friday, so the topic probably isn't necessary for Reg Review - this week, anyway. The only news is I'm getting staff dedicated to the project - two from NRMRL, one from OLEM, and Ron Williams from NERL said I could consult him if needed. But no one from Water yet - Mike Shapiro still needs to reply to my email from last week.
